## REGIONAL WORKSHOP ON OIL SPILL PREPAREDNESS AND RESPONSE: COMMITMENT AND SYNERGY

31 May 2024, MOIG and MEKE Marine are very pleased to invite Members and Technical Partners to the “Regional Workshop on Oil Spill Preparedness and Response: Commitment and Synergy” that will be held; from 12 to 14 November 2024; in Elite World Hotel in Istanbul-Turkey.

The main objectives of this workshop will be to improve the level of preparedness and response, to promote international sharing of best practices and lessons learned from previous oil spill incidents and exercises, to stay abreast of the newest technologies, to benefit from responders and manufactures technical expertise and to enhance communication and expert networking. This event will host representatives from Turkish Government, Oil and Gas Industry, Manufacturers, Responders, National and International Organizations, Academics and Experts and will be a good opportunity to exchange ideas as well as to improve knowledge and skills on oil spill preparedness and response. The first two days workshop programme will include technical oral presentations hinged around the following topics:

- Topic 1 : Contingency planning & Regulatory and legal requirements
- Topic 2 : New developed projects in the Mediterranean region
- Topic 3: Oil spill modeling and training
- Topic 4 : Response equipment and new technology
- Topic 5 : Panel Discussion : Oil spill response services and challenges
- Topic 6 : Waste management and wastewater treatment
- Topic 7 : National and regional emergency response

The third day event will be dedicated to the visit of the Directorate of National Maritime Safety (UDEB); located in Tekridag in the Northwest of Marmara sea in Turkey. Participants will be afforded the opportunity to see all the areas of the Centre.

In order to enable MOIG and MEKE Marine to have all logistic arrangements made on time, it would be appreciated; if you could have the attached [Registration Form](#); completed and returned by Mails to: [houcine.mejri@moig.org.tn](mailto:houcine.mejri@moig.org.tn) and [deniz.barlan@meke.com.tr](mailto:deniz.barlan@meke.com.tr) at your earliest convenience; preferably before 21 October 2024.

### BiAT-RH JOINED MOIG

16 and 31 May 2024, successful meetings were held between the MOIG Director and Mr. Badii Lakhdhar, the founder and Chief Executive Officer of the "Bureau International Africain de Tunisie" (BiAT.RH).

BiAT.RH is a specialized firm on continuous training and support to Tunisian companies for setting up projects and development of programmes in the area of skills and human capital. The main objective of this meeting was to see the possible ways of collaboration between the two institutions in order to promote training programmes, aiming to the continuous improvement of oil spill preparedness and response capability in the Mediterranean region. We were very delighted with the outcome of this meeting, BiAT-RH, agreed to join MOIG. The Management Committee Members would like to thank BiAT-RH for its confidence in MOIG.

### MOIG - INNOMAKER PARTNERS MEETING

09 May 2024, a meeting was held by video conference between the MOIG Director and Mrs. Kamilla Strausz and Dorottya Jancsó from Innomaker Partners.

InnoMaker Partners is an organisation based in Budapest-Hungary which provides a professional help for innovative enterprises. They aspire to teach, build, and develop. During each research project, their goal is to master the methodologies that they use, to understand mechanisms, and thereby to understand the own market and customers. InnoMaker Partners guides through this rugged path with the right tools. Their creed also leads them to actively participate in building the innovation ecosystem and nurturing the next generation. The main objective of this meeting was to discuss the problem-perception surrounding oil spills and oil spill remediation and various issues mostly focusing on Europe and the Mediterranean region. This meeting was a good opportunity to undertake fruitful discussions and exchange information on oil spills. At the end of the meeting, the MOIG Director thanked InnoMaker Partners representatives and extend to them an invitation to participate to the forthcoming regional workshop on Oil Spill Preparedness and Response : Commitment and Synergy to be held; from 12 to 14 November 2024; in Istanbul-Turkey.
