

REGIONAL WORKSHOP

Oil Spill Preparedness
and Response
Commitment and Synergy

12-14 November 2024

Technical Partners

Event Objectives

Improve the level of preparedness
and response

Promote international sharing of best
practices and lessons learned from previous
oil spill incidents and exercises

Stay abreast of the newest technologies

Benefit from Responders and
Manufactures technical expertise

Enhance communication and
expert networking

MEKE®

Venue

Elite World Hotel

Şehit Muhtar Street No: 42,
Taksim İstanbul-Türkiye

We recognize that there are various levels of experience and expertise within and available to the MOIG membership.

We would like this regional workshop to bring that experience and expertise together so that we can all individually as MOIG members and collectively as an industry Group benefit through participating in this event. **Steering Committee Members**
